

- » QuickCalc makes life easier for people who work with benefits
- » Our calculators and tools are fast, efficient and accurate
- » No training needed – computer and smartphone compatible

The QuickCalc tools have been in production since 2003 - we now serve over 2,400 active users amongst local councils, advice agencies, housing associations and national charities.

Benefit Calculators

QuickCalc offers an unparalleled range of rapid Benefit Calculators

- » Universal Credit
- » Pension Credit
- » Income Support
- » Housing Benefit
- » Tax Credits
- » Job Seekers Allowance
- » Local Council Tax Support
- » ESA (IR)

Ideal for benefit assessors | housing staff | advice staff | call-centre staff

All tools allow benefit calculations to be done and re-done in seconds

NEW! Universal Credit and Housing Benefit Wizards for non-experts

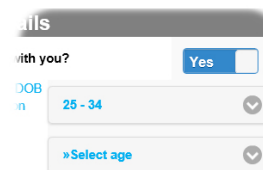

Benefit Utilities

Reduce training input and error rates with standardised tools

- » **Self-employed** weekly income from accounts or simple records
- » **Convert PAYE** Gross to Net – or Net to Gross - in any frequency
- » **Bedroom Tax and LHA** quickly work out bedroom numbers for claims
- » **Convert Tax Credit Awards** to weekly income with start/stop dates

Difficult, time consuming jobs done more quickly and consistently every time

Smartphone tools

All the QuickCalc tools can be used on your smartphone/tablet

- » All the advantages of the full toolset on a smartphone or tablet
- » Many tools redesigned for touchscreens
- » Supports android | iPhone | Windows phone - and all related tablets

Ideal for off-site visits with or without mobile internet connection

Public HB/CTB Calculator

For your public website or public access terminals

- » Calculates weekly Housing Benefit and Council Tax Support
- » Designed for public use – no benefits knowledge needed
- » Deals with most scenarios including “bedroom tax” and the benefit cap

Fulfils the requirements of e-gov guidelines for Local Authorities

QuickCalc licenses cost just £40.99* per user per year (*no VAT to pay)
